ILLEGAL DUMPING is unlawfully depositing debris (i.e., tires, wood, paint cans, furniture, clothing, etc.) on city streets.

WHAT CAN YOU DO?

OBSERVE & RECORD

If you witness illegal dumping:

- Do NOT place yourself in any danger
- Do NOT approach the dumper
- Take note of the exact location: cross streets, landmarks, etc.
- Take note of the color, make, model and license plate number of the vehicle
- Take note of the individual(s) involved and their descriptions: gender, race/nationality, clothing, defining marks, etc.
- Take a picture if you have a camera

MAKE THE CALL

Call the Newark Police Department immediately as it may assist the police in apprehending the perpetrators at the scene.

Also call the **Illegal Dumping Hotline at (973) 733-6471** and provide all the necessary information.

Please provide your name and contact number as well. Your information will remain confidential.

COLLECT YOUR REWARD

Once the disposition of the case is determined, the Department of Neighborhood Services will:

IS SOMEONE DUMPING ON YOU?

ILLEGAL DUMPING ON PRIVATE PROPERTY

When illegal dumping occurs on privately owned property, the property owner is responsible for removing the debris. However, if the property owner contacts the police department, a police report will be generated and the Division of Sanitation will assist in removing the debris.

The property owner must also provide a copy of the police report to the director of the Department of Neighborhood Services:

Melvin L. Waldrop, Director
Department of Neighborhood Services

You may be eligible for a reward for the capture and conviction of an illegal dumper!
